

Young Nurseries

Specialist Perennial Growers

WHOLESALE GROWERS

We are a wholesale nursery based in the scenic Ballyhoura region of Co Limerick. We are one of the premier suppliers in Ireland of a vast range of Irish grown Perennials and Alpines, Herbs and Grasses.

OUR BUSINESS

We are pleased to present our catalogue of Herbaceous, Alpines, Grasses and Herbs.

We have some lovely new introductions for this year that will become available over the next few months, most notable are Anthemis 'Charme' , Dahlia 'Pablo' , Digitalis 'Dalmation Creme' & Leucanthemum 'Banana Cream'. Our plants are Irish grown using biological and environmentally friendly practices and suitable for our climate.

Our 'Perennial Performers' labels now include a QR code, this can be scanned with a smart phone to instantly access more information about the plant.

We have an excellent quality product that is well presented and competitively priced, combined with excellent service, prompt deliveries and a consistent supply.

We will continue to send you our 'looking good' list, which includes a list of top selling plants for that particular week along with any promotions we have on offer. We are always available to assist you with any advice or queries you may have and we welcome any comments from you that would help us improve our products or service.

We would like to take this opportunity to thank you for your custom and we look forward to working with you over the coming months and years. On behalf of everyone at Young Nurseries, we wish you the very best for the coming season.

PERENNIAL PERFORMERS

Perennial Performers is the brand name under which we introduced our own range of distinctive labels.

The overall presentation of the product provides greater visual impact for the consumer. Since its introduction our customers have been achieving increased sales and quicker turnover from this vibrant range.

If you are looking for something special to make an impact and boost sales, check out this exciting range, which we have marked throughout the catalogue and availability list with the **PP** symbol.

Terms & Conditions

All orders are subject to the following conditions:

- 1.** All prices are quoted in euro, and while we make every effort to maintain our prices quoted in the catalogue, we do reserve the right to alter them without notice. Prepricing and barcoding is available at a cost of 10 cents per pot.
- 2.** Vat is charged at 13.5% on all plants except herbs/edibles, which are 0%. Vat no. IE 6415035K
- 3.** Trays are charged at cost, which is fully refundable on collection.
- 4.** Any complaint must be made in writing within 3 days of delivery. Where there is a complaint involving a delivery by courier, complaint must be made to both Young Nurseries Ltd and the courier. On delivery, please inform us immediately of any problem so that we can deal with it promptly. A credit will only be issued on the return of the plants to Young Nurseries Ltd.
- 5.** All customers are strictly COD. For credit approved accounts, payment terms are 30 days nett from date of invoice. Failure to submit payment within terms will result in a finance charge being applied. Strictly no credit unless previously arranged.

Non compliance will result in a review of the credit terms

- 6.** All goods dispatched remain the property of Young Nurseries Ltd until payment has been received in full. In the event of non-payment, we reserve the right to retrieve goods to the value of the outstanding amount.
