Made in Italy

SPRING SUMMER 2022

*Like a sculptor who carves
the female body
sculpting the wonderful shapes,
so the fashion designer enhances
sinuosity and volumes
by imagining the woman
as a true and living work of art.*

PRIMAVERA ESTATE 2022

*Come uno scultore che plasma
il femminile corpo
scolpendone le meravigliose forme,
così lo stilista esalta sinuosità e volumi
immaginando la donna
come vera e viva opera d'arte.*
