ABOUT US

Marco Morgano is a fictional character whose name is an elaboration of the names and legacy of the two business partners; Chuck Hollis and Marco Cassani.

Who we are and what we will become has everything to do with our heritage and we are proud to put it out there.

With years of experience in the US wine and spirits market, our dedicated team works with our customers to import the right products at competitive prices.

With offices in Italy and the USA, we are able to offer unparalleled support sourcing outstanding wine and liquor to platform your business needs.

With containers coming in on a monthly basis we offer a wide selection of Italian wines.

From house wines to premium wines we have both International and local grape varieties.

We constantly add new wines to our portfolio and we are open to suggestions that would benefit your selection.

Moreover, Marco Morgano is a market leader in the B2B/B2C/C2C wine shipments from Italy to the USA. We provide a legal, safe and express wine shipment to the US, duties included.

1. OUR BRANDS

DELLITALIA

Dellitalia represents the finest expression of Italian wine varietals, produced from a careful selection of grapes picked throughout the peninsula, where the soil, elevation and weather conditions create the perfect environment for producing grapes of distinction, where aromas, appealing taste and enjoyment are the hallmark of Dellitalia wines. Perfect house wine for the on-trade market.

**AZIENDA AGRICOLA
MANARA**

Established in 1950 in San Floriano, Manara Winery has been run by three generations, maintaining local wine-making traditions with growing experience, passion and a strong bond with this particular wine region. The grapes from different harvest zones are vinified separately to respect the characteristics of the terroir and create recognizable wines. With approximately 11 hectares of vineyard, the winery is situated on the hills of the Valpolicella Classico regions, in the districts of San Pietro in Cariano, Negra and Marano di Valpolicella.
