Your Holiness Debbie Ford, 2018-03-06 On the fifth anniversary of her death and written during Debbie Ford's long battle with cancer, *Your Holiness* is a thoughtful and poignant exploration of the godliness that resides in all of us. The extraordinary way in which the manuscript to this book was found sets the foundation for its incredible message: medium James Van Praagh received a message from Debbie Ford's spirit telling him that she had an unpublished manuscript saved on her computer. James passed on the news to Debbie's sister, Arielle Ford, who found the manuscript exactly where it was said to be. Infused with Debbie's trademark frank honesty and keen insight, *Your Holiness* is a blueprint for recognizing and accepting our latent spirituality. Debbie combines motivational prayers with deeply personal stories about her own spiritual journey - how she struggled and eventually found her internal faith - and translates her experience into a practical path for transformation. Engaging and accessible, clear and unwavering, philosophical yet practical, *Your Holiness* is a gift to the soul that both guides and nourishes. At a time when so much in our world feels uncertain and suffering is widespread and persistent, Debbie's voice is more essential than ever. *Your Holiness* grounds us in the here and now while delivering a timeless and empowering message of relentless love and strength.

The Dark Side of the Light Chasers Deborah Ford, 2010-11-02 The bestselling, beloved classic on how to go into the dark side of yourself to bring out the light -- now with new material. Debbie Ford believes that we each hold within us a trace of every human characteristic that exists, the capacity for every human emotion. We are born with the ability to express this entire spectrum of characteristics. But, Ford points out, our families and our society send us strong messages about which ones are good and bad. So when certain impulses arise, we deny them instead of confronting them, giving them a healthy voice, then letting them go. It is to these feelings that Ford turns our attention, these parts of our selves that don't fit the personae we have created for the rest of the world. She shows us the effects of living in the dark, of keeping all our supposedly unsavory impulses under wraps. We find ourselves disproportionately frustrated and angry at the selfishness of friends, the laziness of colleagues, the arrogance of siblings. When we are unable to reconcile similar impulses in ourselves, Ford explains, we waste our own energy judging others instead of empathizing. But most important, we deny ourselves the power and freedom of living authentically. Through the stories and exercises in *The Dark Side of the Light Chasers*, Debbie Ford shows us not only how to recognize our hidden emotions, but also how to find the gifts they offer us. This is for fans of

Marianne Williamson, Neale Donald Walsch, and Deepak Chopra. The very impulses we most fear may be the key to what is lacking in our lives.

Key to Yourself Venice J. Bloodworth,Debbie Ford,2006 Includes a FREE CD of Guided Meditations by Debbie Ford, the Author of The Best Year of Your Life The beauty of Key to Yourself is seen through Venice Bloodworth's insightful approach to combining modern psychology and the very same principles taught thousands of years ago by master teachers such as Jesus. In searching for her own spiritual enlightenment, Venice Bloodworth found the root of true happiness based on concepts of spiritual psychology that disclosed the power of the mind to think itself to wellness, prosperity, and peace. Although the world has changed drastically over time, people are still confronted with the same fears and inner conflicts. Key to Yourself meets these challenges with ageless wisdom and boundless compassion.

The Shadow Effect LP Deepak Chopra,Marianne Williamson,Debbie Ford,2010-05-04 Deepak Chopra, Debbie Ford, and Marianne —New York Times bestselling authors and internationally acclaimed teachers—have joined together to share their knowledge on one of the most crucial obstacles to happiness we face—the shadow. These three luminaries, each with a signature approach, bring to light the parts of ourselves we deny but that still direct our life. For it is only when we embrace our shadow that we discover the gifts of our authentic nature. The shadow exists within all of us. It is a part of us and yet we spend most of our life running from it. But far from being scary, our dark side holds the promise of a better, more fulfilling life. Our shadow makes itself known every day. It is the reason we get furious over a friend showing up ten minutes late, yell at our parents or kids when they have done nothing wrong, and sabotage our own success at the worst possible time. Until we are able to embrace our dualistic nature, we will continue to hurt ourselves and those closest to us and fall short of our potential. Combining the wisdom of three experts, The Shadow Effect is a practical and profound guide to discovering the gifts of our shadow. These three authors powerfully pierce the veil of our unclaimed self, releasing us from the past and propelling us on a journey to wholeness. No longer living a half life, we are capable of achieving our dreams and reclaiming the happiness that is our birthright.

Why Good People Do Bad Things Debbie Ford,2009-03-17 Discover a Life Filled with Passion, Meaning, and Purpose New York Times bestselling author Debbie Ford leads us into the heart of the duality that unknowingly operates within each one of us. Providing the tools to end self-sabotage, Ford ultimately knocks down the façade of the false self and shows us how to heal the split between light and dark and live the authentic life within our reach.

The Right Questions Debbie Ford,2009-10-13 New York Times number-one bestselling author Debbie Ford presents revolutionary questions that, when answered with complete honesty, change the way we see ourselves and make decisions – ultimately moving us toward the life we desire. The realities of the life we live today are a result of the choices we made yesterday, three months ago and three years ago. But we don't wind up \$50,000 dollars in debt because of one extravagant

purchase. Nor do we put on 30 unwanted pounds as a result of a couple of decadent meals. And our relationships certainly don't fall apart overnight because of one decision. We are where we are because of repeated unconscious choices made day after day. If we want to understand why and how we created our present day reality, all we need to do is look at the choices we made in the past. Ford cuts right through our denial with the 10 questions that immediately reveal the true motivations behind our thoughts and actions. But more than that, by rigorously and honestly asking and answering these 10 vital questions, we regain control and have the power necessary to create the life we always wanted.

The Best Year of Your Life Debbie Ford, 2009-10-13 No. 1 New York Times bestselling author Debbie Ford's *The Best Year of Your Life* is a call to action to stop pretending that the future will bring you the life of your dreams and to instead start living your dreams in this moment and for the rest of your life. Many of us spend our days thinking, talking and dreaming about what our lives could be like 'if only ...'. We make resolutions, we follow a new diet, we start exercise routines - we begin working on our lifelong goals and then we give up, get too busy and forget about what's truly important to us. Another year passes by and our dreams remain out of reach. But what if today you discovered that the life you've always wanted is right in front of you, well within your grasp? Are you ready to live it? Debbie Ford not only answers these questions but offers a proven, practical blueprint for making today - this moment - the beginning of the best year of your life.

Think Like a Monk Jay Shetty, 2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the *Forbes* magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, *On Purpose*, is consistently ranked the world's #1 Health and

Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.
