OUTDOOR DECOR

Visioni e sensazioni dalla natura
creano emozioni senza confini.

Visions and sensations from nature
create emotions without boundaries.

Spirito mediterraneo.

it / Una porta affacciata sull'azzurro infinito introduce a un mondo in cui il colore è una sensazione vibrante, la roccia è viva, la bellezza è ovunque. Mare, sole, vegetazione si fondono in un'unica coinvolgente emozione. Tonalità forti e meravigliose che solo la natura può concepire, forme scolpite dal vento e dal tempo, con un senso estetico che rende affascinante ogni irregolarità e matericità. L'anima stessa del Mediterraneo è l'ispirazione della collezione Ethimo, un concetto multiforme e in continua evoluzione di elementi d'arredo, nel quale ognuno esprime una precisa e originale personalità ed allo stesso tempo, si presta a creare ampie, armoniose ed eclettiche composizioni. Come i membri di una famiglia che condividono riti e ritmi senza tempo, in ogni istante della giornata: dal caffè del mattino, alla quiete del pomeriggio, alla convivialità della sera.

en / **Mediterranean spirit.**
A door overlooking an infinite blue opens up a world in which colour is a vibrant sensation, rocks become alive and beauty is everywhere. Sea, sun and flora come together in one single unforgettable emotion. Strong and wonderful shades that only nature can conceive, shapes sculpted by wind and time with an aesthetic that makes every irregularity and differing texture fascinating. The very soul of the Mediterranean is the inspiration of the Ethimo collection: a multifaceted and constantly evolving concept of furnishings, in which each piece expresses a unique personality and at the same time, lends itself to the creation of ample, harmonious and eclectic compositions. Like the members of a family who share timeless rituals and rhythms at every moment of the day: from morning coffee, to the quiet of the afternoon, to the conviviality of the evening.

fr / **Esprit méditerranéen.**
Une porte donnant sur le grand bleu vous introduit dans un monde où la couleur est une sensation vibrante, la roche est vivante, la beauté est partout. La mer, le soleil et la végétation s'unissent dans une émotion unique et passionnante. Des nuances fortes et merveilleuses que seule la nature peut concevoir, des formes sculptées par le vent et par le temps, avec ce sens esthétique qui rend fascinant toutes les irrégularités et matérialités. C'est l'âme même de la Méditerranée qui est l'inspiration de la collection Ethimo, un concept d'éléments de mobilier multiforme et en constante évolution, où chacun exprime une personnalité précise et originale, tout en se prêtant à la création de compositions larges, harmonieuses et éclectiques. Comme les membres d'une famille qui partagent des rituels et des rythmes intemporels, à chaque instant de la journée : du café du matin, au calme de l'après-midi, à la convivialité du soir.

de / **Mediterraner Spirit.**
Eine Tür, die auf das unendliche Blau blickt und Ihnen eine Welt eröffnet, in der Farbe ein pulsierendes Gefühl, das Gestein lebendig und die Schönheit allgegenwärtig ist. Meer, Sonne und die Vegetation verschmelzen zu einem einzigartigen Zusammenspiel von Emotionen. Kräftige und wunderschöne Farbtöne, die einzig die Natur hervorzubringen vermag, von Wind und Zeit geschaffene Formen mit einer Ästhetik, die jede Unregelmäßigkeit und Materialität faszinierend macht. Die mediterrane Seele ist die Inspiration für die Kollektion Ethimo, ein multifunktionales und sich ständig weiterentwickelndes Konzept von Möbelementen, bei dem jedes einzelne eine präzise und originelle Persönlichkeit ausstrahlt und zugleich große, harmonische und eklektische Kompositionen entstehen lässt. Wie die Mitglieder einer Familie, die zu jeder Tageszeit immerwährende Rituale und Rhythmen teilen: vom Morgenkaffee über die Stille des Nachmittags bis hin zur Geselligkeit am Abend.

Il sole di mezzogiorno, la musica delle onde, il gioco delle ombre fra gli scogli e le case. Ispirazioni naturali per uno stato d'animo coinvolgente e inconfondibile.

The midday sun, the music of the waves, the game of shadows among the rocks and the houses. Inspirations from nature, for a captivating and unique mood.

Uno scenario straordinario
da vivere ogni giorno.

An extraordinary landscape
to be experienced every day.

Bellezza pura e semplice.

it / Un'antica tonnara siciliana, una rigogliosa riserva naturale, i faraglioni ricoperti di fichi d'india, irte scogliere e acque cristalline danno vita a un museo a cielo aperto nel quale la natura espone i suoi capolavori. Scopello, dal greco Scopelos ovvero "scogli", un territorio testimone del passaggio di antiche divinità e civiltà, gioiello incastonato sul mare e icona esemplare del più puro e incontaminato borgo mediterraneo. Consumate dalle onde, le vecchie imbarcazioni dei pescatori sono ancora lì, insieme alle enormi ancore ordinate in una lunga fila, come se aspettassero di essere di nuovo calate in acqua. Uno scenario straordinario per una collezione che diventa parte integrante di un paesaggio interiore, un modo di essere e di vivere all'aria aperta: Ethimo.

en / **Beauty, pure and simple.** An ancient Sicilian fishing-net, a lush nature reserve, cliffs covered in prickly pears, rugged landscapes and crystal-clear waters give life to an open-air museum in which nature shows-off its masterpieces. Scopello, from the Greek Scopelos or "rocks", a territory witnessing the passage of ancient gods and civilizations, a jewel set on the sea and an exemplary icon of the purest and most unspoiled Mediterranean village. Consumed by the waves, the old fishing boats are still there, along with the huge anchors arranged in a long line as if they were still waiting to be lowered into the water. Ethimo: an extraordinary setting for a collection that becomes an integral part of an interior landscape, a way of life in the open air.

fr / **Beauté pure et simple.** Une ancienne pêcherie de thon sicilienne, une réserve naturelle luxuriante, des îlots rocheux couverts de figuiers de barbarie, des falaises abruptes et des eaux cristallines en font un musée en plein air où la nature expose ses chefs-d'œuvre. Scopello, du grec Scopelos c'est-à-dire "rochers", un territoire qui a été témoin du passage d'anciennes divinités et civilisations, joyau serti sur la mer, et icône exemplaire du village méditerranéen le plus pur et le plus intact. Usés par les vagues, les vieux bateaux de pêcheurs sont toujours là, tout comme les immenses ancres rangées l'une derrière l'autre, comme si elles attendaient d'être remises à l'eau. Un décor extraordinaire pour une collection qui devient partie intégrante d'un paysage intérieur, une manière d'être et de vivre en plein air : Ethimo.

de / **Pure und einfache Schönheit.** Eine alte sizilianische Thunfischfischerei, ein üppiges Naturschutzgebiet, mit Kaktusfeigen bewachsene Felsen, steile Klippen und kristallklares Wasser werden zu einem Freilichtmuseum, in dem die Natur ihre Meisterwerke offenbart. Scopello, aus dem Griechischen Scopelos oder „Felsen“, ein Territorium, das die Durchquerung alter Gottheiten und Zivilisationen bezeugt, ein Kleinod am Meer und eine beispielhafte Ikone für ein unverfälschtes, unberührtes Mittelmeerdorf. Die alten von den Meereswellen verzehrten Fischerboote sind immer noch da, ebenso wie die riesigen Anker, die in einer langen Reihe aufgestellt scheinbar immer noch darauf warten, wieder ins Wasser gelassen zu werden. Eine einzigartige Kulisse für eine Kollektion, die zum integralen Bestandteil einer Innenraumlandschaft, einer Art des Seins und Lebens unter freiem Himmel wird: Ethimo.

Sassi, intonaci, intrecci, legno
consumati dalle onde e dal vento.

Stone, plasterwork, weaving, wood
sculpted by waves and wind.

Stanze a cielo aperto.

it / La natura suggerisce un modo speciale di abitare l'outdoor.
 Un progetto che immagina cellule di benessere, spazi protetti e accoglienti ma allo stesso tempo in totale contatto con l'ambiente circostante. Sintesi di sensazioni naturali, materiali contemporanei e performanti, tecnologie funzionali ed efficienti. Emozioni che avvolgono la mente come tende dondolate da una brezza lieve, forme morbide e asimmetriche che disegnano ambienti e scenari, lamelle e frange che creano giochi grafici d'ombre e luci, molteplici tonalità che riprendono i colori della natura. Un mondo nuovo di possibilità si apre con Ethimo.

en / **Open air rooms.**
 Nature gives us a special way of living in the outdoors. A project that imagines wellness cells, protected and welcoming spaces but at the same time in total contact with the surrounding environment. A synthesis of natural sensations, contemporary and performance materials, functional and efficient technologies. Emotions that envelope the mind like curtains swaying in a light breeze, soft and asymmetrical shapes depicting atmosphere and panoramas, petals and fringes creating a graphic play between shadow and light, multiple shades that reflect the colours of nature. A new world of possibilities starts with Ethimo.

fr / **Des pièces à ciel ouvert.** La nature suggère une façon particulière de vivre à l'extérieur. Un projet qui imagine des cellules de bien-être, des espaces protégés et accueillants mais, en même temps, en plein contact avec le milieu environnant. Synthèse de sensations naturelles, matériaux contemporains et performants, technologies fonctionnelles et efficaces. Des émotions qui enveloppent l'esprit comme des rideaux bercés par une brise légère, des formes douces et asymétriques qui dessinent des espaces et des décors, des lamelles et des franges qui créent des jeux graphiques d'ombres et de lumière, de multiples nuances qui reprennent les couleurs de la nature. Un nouveau monde de possibilités s'ouvre avec Ethimo.

de / **Räume unter freiem Himmel.** Die Natur bietet einen besonderen Lebensstil im Freien. Ein Projekt, das kleinste Inseln des Wohlbefindens, behütete und einladende Räume und dabei gleichzeitig den uneingeschränkten Kontakt mit der Umwelt in sich vereint. Eine Synthese aus Naturempfindungen, modernen, leistungsfähigen Materialien und funktionalen, effizienten Technologien. Emotionen, die den Geist wie mit einem vom leichten Windzug bewegten Vorhang umhüllen, weiche und asymmetrische Formen, die Umgebungen und Kulissen entstehen lassen, Lamellen und Fluchtlinien, die grafische Licht- und Schattenspiele erzeugen, vielschichtige die Natur widerspiegelnde Farbtöne. Mit Ethimo eröffnet sich eine neue Welt der Möglichkeiten.

The italian style for outdoor living

Calore alpino.

it / Dal Mediterraneo alle Dolomiti, definite da Le Corbusier “la più bella architettura naturale del mondo”, le collezioni Ethimo prendono sempre ispirazione dallo spirito di luoghi in cui la natura, la storia e il presente si fondono in uno stile di vita raffinato, meditativo ricco di charme. Il teak, essenza ideale per l'arredo all'aria aperta, viene interpretato nella sua tipica colorazione o in una finitura decapata Chocolate che ricorda calde e prestigiose situazioni in interni. Tessuti morbidi, con intramontabili motivi tartan, trasmettono un senso di calore e di comfort, insieme a soffici cuscini e coperte in pelliccia.

en / **Alpine warmth.**
From the Mediterranean to the Dolomites, defined by Le Corbusier as "the most beautiful natural architecture in the world", the Ethimo collections always take inspiration from the spirit of places where nature, history and the present merge in a refined, meditative lifestyle full of charm and inspiration. Teak, the essential element for outdoor furniture, is interpreted in its typical colour or in a Chocolate pickled finish reminiscent of warm, prestigious interiors. Soft fabrics, with timeless tartan patterns, convey a sense of warmth and comfort, along with soft cushions and fur blankets.

fr / **Chaleur alpine.**
De la Méditerranée aux Dolomites, définies par Le Corbusier comme " la plus belle architecture naturelle au monde ", les collections Ethimo s'inspirent toujours de l'esprit des lieux où la nature, l'histoire et le présent se fondent dans un style de vie raffiné, méditatif, riche en charme et inspirations. Le teck, essence idéale pour le mobilier de plein air, est interprété en sa couleur typique ou dans une finition décapée Chocolate, qui rappelle des situations d'intérieur chaleureuses et prestigieuses. Des tissus doux, aux motifs tartan intemporels, transmettent une sensation de chaleur et de confort, tout comme des coussins souples et des couvertures de fourrure.

de / **Alpine Wärme.**
Von der Mittelmeerküste bis zu den Dolomiten, eine Landschaft, die von Le Corbusier als „die schönste Naturarchitektur der Welt“ bezeichnet wird, orientieren sich die Kollektionen von Ethimo stets am Geist der Orte, an denen Natur, Geschichte und Gegenwart zu einem raffinierten, meditativen Lebensstil verschmelzen, der viel Charme und Inspiration ausstrahlt. Teakholz ist die ideale Grundlage für Gartenmöbel und wird in ihrer typischen Färbung oder in einem gebeizten Chocolate-Finish interpretiert, das an warme und anspruchsvolle Innenräume erinnert. Weiche Stoffe mit zeitlosen Schottenmustern vermitteln zusammen mit den weichen Kissen und Felldecken eine wohlige Wärme und Behaglichkeit.

it / Cime coperte di neve, terrazzi baciati dal sole, boschi autunnali e vallate verdeggianti: ogni collezione Ethimo può essere ambientata in montagna, creando soluzioni su misura per qualsiasi situazione, vestendosi di tessuti, fantasie, sensazioni e citazioni a tema.

Le proposte Ethimo compongono un concetto di habitat ideale, nel quale le tonalità calde e naturali del legno esaltano la pulizia formale del design, mentre i tessuti delle sedute e dei cuscini riprendono le trame e i motivi tipici dell'interior decor, pur mantenendo delle caratteristiche tecniche specifiche per l'utilizzo in esterni. Come negli scenari mediterranei, anche la stagione invernale si veste di proposte inedite e affascinanti, studiate da Ethimo per esaltare il piacere della vita all'aria aperta, con soluzioni sempre in vetta al prestigio, alla qualità e all'eleganza.

en / Snow-covered peaks, sun-kissed terraces, autumnal woods and green valleys: each Ethimo collection can be set in the mountains, creating tailor-made solutions for any situation, wearing fabrics, patterns and theme-based quotes. The Ethimo proposals compose an ideal habitat concept in which the warm and natural shades of wood enhance the formal cleanliness of the design, while the fabrics of the seats and cushions echo the textures and motifs typical of interior decor while maintaining technical characteristics specific for outdoor use. As in the Mediterranean landscapes, even the winter season is dressed in new and fascinating proposals, studied by Ethimo to enhance the pleasure of life in the open air, with solutions always providing the utmost in prestige, quality and elegance.

fr / Des sommets enneigés, des terrasses ensoleillées, des bois en automne et des vallées verdoyantes : toutes les collections Ethimo peuvent être installées à la montagne, créant des solutions sur mesure pour n'importe quelle situation, se parant de tissus, de motifs, de sensations et de citations thématiques. Les propositions d'Ethimo constituent un concept d'habitat idéal dans lequel les tons chauds et naturels du bois rehaussent la propreté formelle du design, tandis que les tissus des assises et des coussins rappellent les textures et les motifs caractéristiques des décors intérieurs, tout en maintenant les spécificités techniques pour être utilisés à l'extérieur. Tout comme dans les décors méditerranéens, la saison hivernale se pare, elle aussi, de propositions à la fois inédites et fascinantes, conçues par Ethimo pour améliorer le plaisir de vivre en plein air, avec des solutions toujours à la pointe du prestige, de la qualité et de l'élégance.

de / Schneebedeckte Gipfel, sonnenverwöhnte Terrassen, Herbstwälder und grüne Täler: Jede Kollektion von Ethimo ist für einen Einsatz in den Bergen geeignet und bietet für jede Situation maßgeschneiderte Lösungen unter Verwendung von Stoffen, Mustern, Sensationen und thematischen Zitaten. Die Entwürfe von Ethimo formen ein ideales Lebensraumkonzept, in dem die warmen und natürlichen Farbtöne des Holzes die formale Klarheit des Designs unterstreichen, während die Stoffe der Sitzmöbel und Kissen die typischen Texturen und Motive der Inneneinrichtung widerspiegeln und gleichzeitig über die für einen Einsatz im Freien spezifischen, technischen Eigenschaften verfügen. Wie in den mediterranen Lebenswelten zeigt sich auch die Wintersaison mit neuen und faszinierenden von Ethimo entworfenen Vorschlägen, die darauf abzielen, das Lebensgefühl unter freiem Himmel mit Lösungen auf höchstem Niveau in puncto Prestige, Qualität und Eleganz zu steigern.

The Italian style for outdoor living

Rafael ^{NEW}

design Paola Navone.

Collection composed by: lounge armchair /
daybed / sunbed / coffee tables.

it / Rafael è una collezione dall'aspetto insolito e fortemente caratterizzante, suggerita dalla poliedricità e impermanenza della natura. La robusta struttura in teak spazzolato, con graffe metalliche che aggiungono un tocco di artigianalità, incontra le texture e le tonalità dei cuscini, in un dialogo compositivo nel quale si inseriscono i tavolini in candido marmo o pietra smaltata nel colore del mare.

en / Rafael is a collection with an unusual appearance and strong character, influenced by the versatility and transience of nature. It is a sturdy structure in brushed teak, with metal staples adding a touch of craftsmanship. Alongside the textures and shades of the cushions, it creates a compositional dialogue with the tables in white marble or sea-blue glazed stone.

Luoghi memorabili, paesaggi
interiori, storie profonde come il
mare e infinite come il cielo. È questo
il mondo da cui prende ispirazione
Ethimo, un progetto in continua
evoluzione che parla un linguaggio
senza confini, sempre con uno stile
inconfondibilmente italiano.

Unforgettable places, internal
landscapes, stories as deep as the
sea and endless as the sky. This is the
world from which Ethimo takes
inspiration, a continuous evolution
project that speaks a language
without borders, always with an
unmistakably Italian style.

Ethimo. I materiali.
The materials. Les matériaux.
Materialien.

Materie vive.

it / Nell'arredo outdoor Ethimo, gioca un ruolo fondamentale la ricerca e selezione di materiali capaci di unire le emozioni della natura, il prestigio delle lavorazioni artigianali e le migliori doti di qualità, resistenza e durata all'aria aperta. Legni pregiati provenienti da coltivazioni a ricrescita controllata, intrecci di corda, ceramica, tessuti naturali ed acrilici, fibre riciclabili che ricreano la sensazione della materia organica, candido marmo o pietra smaltata sono alcuni degli elementi più rappresentativi di un linguaggio fatto di sensazioni tattili e visive, nel quale tradizioni senza tempo incontrano tecnologie e soluzioni innovative.

Dal progetto al prodotto finito, le doti intrinseche dei materiali scandiscono ogni fase del processo Ethimo, arricchendo l'outdoor di valori, sensazioni e possibilità esclusive.

Dettaglio tavolino Rafael in teak spazzolato naturale e piano sagomato in marmo bianco statuario. / Rafael coffee table detail in brushed natural teak and shaped white statuary marble top.

it / La qualità Ethimo è un fatto concreto e tangibile, testimoniato dalla certificazione ISO 9001 che garantisce l'efficienza totale del sistema aziendale: dalla scelta dei materiali, al progetto, alle lavorazioni, ai servizi. Nati per vivere a lungo a contatto con la natura, i prodotti Ethimo esprimono un'altrettanto rigorosa attenzione alla sostenibilità ambientale e all'etica. La gestione responsabile del patrimonio forestale mondiale è per Ethimo un concetto fondamentale, in sintonia con la certificazione FSC (Forest Stewardship Council) che attesta la provenienza di tutti i legni utilizzati nei prodotti Ethimo, da coltivazioni rispettose dell'ambiente, delle comunità locali e dei diritti dei lavoratori. Anche le vernici utilizzate sono ecologiche ed atossiche, in armonia con questa visione aziendale.

en / **Living matters.**

In Ethimo outdoor furniture, research and selection of materials capable of combining the emotions of nature, the prestige of craftsmanship and the best attributes of quality, resistance and durability in the open air play a fundamental role. Precious woods from controlled growth crops, rope weaving, ceramics, fabrics and fibres that recreate the sensation of organic matter, white marble or glazed stone, are some of the most representative elements of a language made of tactile and visual sensations, in which timeless traditions meet innovative technologies and solutions. The Ethimo quality is a concrete and tangible fact: the choice of materials, a responsible management of the world's forest heritage, respect for the environment, the ISO 9001 and FSC certifications prove the values and efficiency of the company system.

fr / **Matières vivantes.**

Dans le mobilier d'extérieur Ethimo, c'est la recherche et la sélection de matériaux capables d'associer les émotions de la nature, le prestige de l'artisanat et les meilleures caractéristiques de qualité, robustesse et durée extérieure qui jouent un rôle fondamental. Les bois précieux issus de cultures à régénération contrôlée, les tissages de cordes, les céramiques, les tissus naturels et acryliques, les fibres recyclables qui recréent la sensation de matière organique, le marbre blanc ou la pierre émaillée sont quelques-uns des éléments les plus représentatifs d'un langage composé de sensations tactiles et visuelles, où des traditions hors du temps rencontrent les technologies et les solutions novatrices. La qualité Ethimo est une évidence concrète et tangible : le choix des matériaux, la gestion responsable du patrimoine forestier, le respect de l'environnement, les certifications ISO 9001 et FSC attestent les valeurs et l'efficacité totale du système de l'entreprise.

de / **Lebendige Materie.**

Bei den Gartenmöbeln von Ethimo spielt die Materialforschung und -auswahl, mit der die Empfindungen in der Natur, das Prestige der Handwerkskunst und die besten Qualitäts-, Widerstands- und Haltbarkeitswerte im Außenbereich kombiniert werden können, eine grundlegende Rolle. Edelhölzer aus kontrolliertem nachwachsendem Anbau, Seilgeflecht, Keramik, Gewebe und Fasern, die das Gefühl organischer Substanz nachbilden, weißer Marmor oder emaillierter Stein, gehören zu den repräsentativsten Elementen einer aus haptischen und optischen Empfindungen bestehenden Sprache, in der unvergängliche Traditionen auf innovative Technologien und Lösungen treffen. Die Qualität von Ethimo ist ein greifbares und konkretes Faktum: die Auswahl der Materialien, die verantwortungsvolle Bewirtschaftung des Weltforsterbes, der Respekt für die Umwelt, die ISO 9001- und FSC-Zertifizierungen stehen für die Werte und die vollständige Effizienz des Unternehmenssystems.
